MME testing and Preparations

The Michigan Merit Exam will be administered to all 11th graders on March 6-8. This state required test is also required for graduation from Marcellus Community Schools. The test includes the ACT, WorkKeys, and Michigan science, social studies and math. All juniors must be in attendance and on time during the test dates. Students who are late will not be permitted to enter the testing room. This is a State/ACT requirement and local schools do not have the authority to change it or to make exceptions. Please make sure your student is on time and in attendance on these important test dates.

Students who successfully complete testing will be treated to pizza and will then be dismissed from school.

It is also very important for students to be in attendance for their English 11 class on February 7-9. During that time, students will complete answer documents for the upcoming MME test. This is a lengthy process that takes three class periods to complete. Please make sure your student is at school on those dates as well. More information will be mailed home in the next week to the parents of all juniors. Please contact Ms. Pauley if you have any questions.

*Report Cards were sent home
with students on
Friday, February, 3*

Swiss Valley Ski In

On February 10, middle school students will travel to Swiss Valley for a Ski In. All 7th & 8th graders who have no major discipline infractions will be invited to participate on the trip. All 7th & 8th students were given written information and a permission slip to take home for parents. Please return those slips promptly. If you have any questions, please contact the school office at 646-5081.
